 Re: Catalog Changes Regarding Certificate  
 Date: September 27, 2017

Brian Hodge would like all certificates at the university awarded as soon as they are completed rather than waiting for the completion of the primary degree as well. The current catalog language for the certificate in Women, Gender, and Sexuality Studies precludes this. He has asked us to revise it and the change has been approved by the Center's Executive Committee:

Under Dorothy F. Schmidt College of Arts and Letters, Certificate Programs, Women, Gender, and Sexuality Studies, Undergraduate Certificate:

The undergraduate certificate in Women, Gender and Sexuality Studies is open to all undergraduate degree-seeking students in good standing. The certificate will be awarded upon completion of the ~~baccalaureate degree~~ and successful completion of the certificate's requirements.
