Catalog Change: Management Major

Explanation

We are changing the Entrepreneurship Internship course (ENT 4940) from 3 credits to 1-4 credits in order to give students more flexibility. However, we still want to require the same number of credits in the Entrepreneurship concentration. Thus, we want to change "Choose two of the following courses" to "Take six credits from among the following courses," as indicated below. For consistency, the same change is proposed for the Leadership and Applied Management Skills concentration.
