Lanning, K. (1993). *Five factors in the California Q-Set: Important but insufficient*. Paper presented at the 5th Annual Convention of the American Psychological Society, Chicago, June.

Lanning, K. (1990). *Scalability, appropriateness, and the measurement of authoritarianism*. Paper presented at the 98th Annual Convention of the American Psychological Association, Boston, August.

Lanning, K. (1989). *Shared variance in the California Psychological Inventory and the California Q-Set*. Paper presented at the 1st Convention of the American Psychological Society, Alexandria, VA, June.

Lanning, K. (1988). (Chair). *New approaches to the study of personality*. Symposium presented at the 96th Annual Convention of the American Psychological Association, Atlanta, August.

Lanning, K. (1988). *A bigger five: Some fundamental questions in the measurement of personality dispositions*. Paper presented at the 96th Annual Convention of the American Psychological Association, Atlanta, August.

Lanning, K. (1988). *On evaluating the truth value of anecdotes concerning great persons in the history of science*. Paper presented at the annual meeting of the Oregon Academy of Science, Portland, February.

Lanning, K. (1985). *Traits, trait words, and the explanation of behavior*. Paper presented at the 93rd Annual Convention of the American Psychological Association, Los Angeles, August.

Repapi, M., Gough, H.G., Lanning, K., & Stefanis, C. (1983). *A validation study of the California Psychological Inventory Socialization scale in Greece*. Paper presented at the 7th Meeting of the World Congress of Psychiatry, Vienna, July.

## Grants and awards

TIAA-CREF Award recipient for community service, Florida Atlantic University (2006).

Nominated outstanding teacher, Wilkes Honors College (2000, 2002, and 2004).

Grant from the Association of International Education Administrators. Personality development in study abroad participants and controls. Co-Investigator: Rebecca Powers. Award = \$1,000. (1988-1999).

Grant from Consulting Psychologists Press. A multivariate investigation of the MBTI and cognitive parameters of personality functioning. Co-investigators: Douglas Derryberry, John A. Edwards, Karen A. Hooker, Marjorie Reed. Award = \$5,564 (1996-1998).

Oregon State University course development grant. Development of an experimental writing intensive course for highly achieving introductory psychology students / a nascent honors program. Award = \$2,500. (1994).

Grant from Australian Research Council. A comparison of different models of personality structure. Award = A\$34,000 (1994; declined because of repatriation to the US).

Grant from Australian Research Council. Towards an optimal language for personality description: An empirical and psychometric inquiry. Award = A\$9,000. (1993).

University of New South Wales special research grants. Awards of A\$6,000 and A\$2,000. (1992).

Grant from the Harry Frank Guggenheim Foundation. Authoritarianism: An alternative approach to measurement. Award = \$24,078. (1989).

Grant from Oregon State University College of Liberal Arts. Scalability, Item Response Theory, and authoritarianism. Award = \$896. (1989).

NIH Biomedical Support Grant RR07079 The measurement of individual differences in consistency. Award = \$7,967. (1988).

Best student paper, Division of Theoretical and Philosophical Psychology, American Psychological Association (1985).

NSF Graduate Fellowship (1979-1982).

## Teaching

### Courses taught

Undergraduate surveys including [General psychology](#), [Personality](#), [Social Psychology](#), [Introduction to Statistics/Experimental design and Statistical Inference](#), [Evolution, Psychology and Human Nature](#), and [Writing in psychology and the behavioral sciences](#).

Seminars and advanced courses in psychology including [History and systems of psychology](#), [Thinking and decision making](#), [Psychometrics and psychological testing \(with lab\)](#)., [Personality and social development](#) (also [here](#))., [Advanced writing in psychology and the behavioral sciences](#), Environmental psychology, Personality assessment and research, Attachment, Intelligence and society, and Moral development.

Interdisciplinary seminars including [Equality and inequality](#) (with Dr. Christopher Strain, American Studies)., [Genetics for the social sciences](#) (with Dr. Paul Kirchman, Biology)., [Human behavior](#) (with Dr. Rachel Corr, Anthropology)., [Political psychology](#) (with Dr. Martin Sweet, Political Science), [Intermediate Statistics](#) (with Dr. Terje Hoim, Mathematics)., Topology and psychology (With Dr. Blake Mellor, Mathematics)., and Psychology of design (with Prof. Amy Broderick, Art).
