office (561) 799-8652
Skype, Hangout Kevin.lanning

Overview

I am a social and computational scientist who studies personality, political psychology, and the structure of scholarly communities using natural language analysis, network analysis, and classical psychometrics. I teach a broad range of courses in the social and behavioral sciences and in data science.

Education

Ph.D. in Psychology (Personality), University of California, Berkeley, December 1986
A.B. in Psychology, University of California, Berkeley, December 1978
Université de Grenoble, France, 1976-77

Academic and administrative positions

Florida Atlantic University: Professor (2010–present). Associate Professor (1998–09).
Faculty Assistant to the President (2012-2013). Director, Honors Summer Institute (2007).
Co-chair/Division head (2001-03). Charter Faculty Member, Wilkes Honors College
Oregon State University: Associate Professor (1992-98), Assistant Professor (1987-92)
University of New South Wales, Sydney, Australia: Lecturer (1992-93).
University of California, Berkeley: Lecturer (1987).

Editorial and consulting positions

Editor: *Analyses of Social Issues and Public Policy (ASAP; 2010-2014)*.
Associate Editor: *Behavioral Sciences of Terrorism and Political Aggression (2008-2013)*.
Consulting Editor: *ASAP (2001-2009, 2014-)*; *Journal of Research in Personality (1998-2001, 2009-)*.
Book Review Editor: *ASAP (2001-2006)*.
Co-chair: Society for the Psychological Study of Social Issues (SPSSI) Publication board (2017-2018).
Conference co-chair: Division 9/SPSSI American Psychological Association program.
Reviewer: *NSF (2019, 2020)*, *Australian Research Council*, *Social Sciences and Humanities Research Council (Canada)*.
Ad hoc reviewer: *American Journal of Political Science*, *American Psychologist*, *Journal of Personality*, *Journal of Personality Assessment*, *Journal of Personality and Social Psychology*, *Journal of Research in Personality*, *Personality and Social Psychology Bulletin*, *Personality and Social Psychology Review*, *Psychological Methods*, *Psychological Reports*, *Trends in Cognitive Sciences*, various convention programs.
Consultant, Advisor, Expert witness: Sorter (2019-), Park Evaluations (2019-).

Grants and awards

- Recipient, Distinguished Service to SPSSI Award (2015).
- Award from Elsevier Bibliometric Research Program: *On the use of first and second-order bibliographic couplings to assess the structure of an institutional network*. Co-investigator: Xingquan Hill. (Although the program is peer-reviewed and competitive, the award is non-financial, consisting of the provision of several large datasets) (2013).
- TIAA-CREF Award recipient for community service, Florida Atlantic University (2006).
- Nominated for outstanding teacher, Wilkes Honors College (2000, 2002, and 2004), and SPSSI teaching award (2007)
- Grant from the Association of International Education Administrators. Personality development in study abroad participants and controls. Co-Investigator: Rebecca Powers. Award = \$1,000. (1988-1999).
- Grant from Consulting Psychologists Press. A multivariate investigation of the MBTI and cognitive parameters of personality functioning. Co-investigators: Douglas Derryberry, John A. Edwards, Karen A. Hooker, Marjorie Reed. Award = \$5,564 (1996-1998).
- Oregon State University course development grant. Development of an experimental writing intensive course for highly achieving introductory psychology students / a nascent honors program. Award = \$2,500. (1994).
- Grant from Australian Research Council. A comparison of different models of personality structure. Award = A\$34,000 (1994; declined because of repatriation to the US).
- Grant from Australian Research Council. Towards an optimal language for personality description: An empirical and psychometric inquiry. Award = A\$9,000. (1993).
- University of New South Wales special research grants. Awards of A\$6,000 and A\$2,000. (1992).

Grant from the Harry Frank Guggenheim Foundation. Authoritarianism: An alternative approach to measurement. Award = \$24,078. (1989).

Grant from Oregon State University College of Liberal Arts. Scalability, Item Response Theory, and authoritarianism. Award = \$896. (1989).

NIH Biomedical Support Grant RR07079. The measurement of individual differences in consistency. Award = \$7,967. (1988).

Best student paper, Division of Theoretical and Philosophical Psychology, American Psychological Association (1985).

NSF Graduate Fellowship (1979-1982).

Teaching

Courses taught

Undergraduate surveys in psychology including [General psychology](#), [Personality](#), [Social Psychology](#), [Evolution, Psychology and Human Nature](#), and [Writing in psychology and the behavioral sciences](#)

Seminars and advanced courses in psychology including [History and systems of psychology](#), [Thinking and decision making](#), [Psychometrics and psychological testing \(with lab\)](#), [Personality and social development](#) (also [here](#)), [Advanced writing in psychology and the behavioral sciences](#), Environmental psychology, Personality assessment and research, Attachment, Intelligence and society, and Moral development.

Interdisciplinary seminars including Behavioral economics (with Dr. Kanybek Nur-tegin, Economics), [Equality and inequality](#) (with Dr. Christopher Strain, American Studies), [Genetics for the social sciences](#) (with Dr. Paul Kirchman, Biology), [Human behavior](#) (with Dr. Rachel Corr, Anthropology), [Political psychology](#) (with Dr. Martin Sweet, Political Science), Psychology of design (with Prof. Amy Broderick, Art), and the Psychology of Terrorism (with Dr. Chris Ely, History).

Courses in data science including Computational Social Science, [Introduction to Data Science](#) (with Dr. Terje Hoim, Mathematics), Mathematical foundations of behavioral science (with Dr. Warren McGovern, Mathematics), Topology and psychology (With Dr. Blake Mellor, Mathematics), [Introduction to Statistics/Experimental design and Statistical Inference](#), and [Intermediate Statistics](#) (with Dr. Terje Hoim, Mathematics)
